Re: Korean Airlines Co., Ltd v. Port Authority of New York & New Jersey, *et al.*  
Docket No. 10-cv-2484 (SLT)(JO)

Dear Honorable Judge Chen:

A conference was held on May 17, 2013. At that conference you were informed that negotiations were under way between the plaintiff and defendant Covenant Aviation Security LLC. The plaintiff was instructed to inform the Court with relation to these negotiations on or before July 17, 2013.

I am pleased to inform the Court that settlement negotiations have resulted in a settlement of the action of Kamall McLean with Covenant Aviation Security LLC. This action was settled for the sum of \$50,000.00 leaving the action against Korean Airlines still pending.

It is also respectfully reported that the settlement in the sum of \$50,000.00 was consented to by the workers' compensation lien holder. The final Stipulation of Settlement will be filed promptly by counsel for the defendant Covenant.

Respectfully Yours,

PAZER EPSTEIN & JAFFE, P.C.
